Ember Days: "Ember Days are three days (Wednesday, Friday and Saturday) set apart in each of the four seasons for fasting, abstinence and prayer. Tied to the seasonal cycles of farming and harvesting, the purpose of Ember Days is to render thanks to God for the gifts of Creation and to ask His help in using them well. Since 1966, the fasting and abstinence are no longer prescribed but still encouraged."-Fr. Arnaud Devillers, FSSP, from an article in the Missive 3/13/19. Homeschooling Meetup-Sun, Oct 4: Adults are invited to a homeschool meetup on Sunday, Oct. 4 from 1:30 to 2:30 in the parish hall. The topics for this meeting are elementary math, routines, chores, meal planning, a saint peg doll exchange in December, planning student public speaking and Q & A.

Mass Requests: In order to guarantee that we do not surpass a Mass intention backlog of six months, we will be continuing the policy of placing a limit on three Mass requests in the queue at a time per parishioner. By the grace of God, we have a growing number of parishioners and it is crucial that we are capable of celebrating all the Mass intentions we have accepted. Indeed, it is important that also new parishioners have an opportunity to request Mass intentions as well. We regret that no exceptions can be made.

ENCYCLICAL OF POPE PIUS XII
HAURIETIS AQUAS
ON DEVOTION TO THE SACRED HEART
May 15, 1956 cont...

58. Since, therefore, Sacred Scripture and the official teaching of the Catholic faith instruct us that all things find their complete harmony and order in the most holy soul of Jesus Christ, and that He has manifestly directed His threefold love for the securing of our redemption, it unquestionably follows that we can contemplate and honor the Heart of the divine Redeemer as a symbolic image of His love and a witness of our redemption and, at the same time, as a sort of mystical ladder by which we mount to the embrace of "God our Savior."

59. Hence His words, actions, commands, miracles, and especially those works which manifest more clearly His love for us - such as the divine institution of the Eucharist, His most bitter sufferings and death, the loving gift of His holy Mother to us, the founding of the Church for us, and finally, the sending of the Holy Spirit upon the Apostles and upon us - all these, We say, ought to be looked upon as proofs of His threefold love.

60. Likewise we ought to meditate most lovingly on the beating of His Sacred Heart by which He seemed, as it were, to measure the time of His sojourn on earth until that final moment when, as the Evangelists testify, "crying out with a loud voice 'It is finished,' and bowing His Head, He yielded up the ghost." Then it was that His heart ceased to beat and His sensible love was interrupted until the time when, triumphing over death, He rose from the tomb.

61. But after His glorified body had been re-united to the soul of the divine Redeemer, conqueror of death, His most Sacred Heart never ceased, and never will cease, to beat with calm and imperturbable pulsations. Likewise, it will never cease to symbolize the threefold love with which He is bound to His heavenly Father and the entire human race, of which He has every claim to be the mystical Head. *To be cont...*
